#### Style by Kim xo Mash Up with Still Water, LA

What happens when you pair a top notch wardrobe stylist from the West Coast with Los Angeles based fashion house STILLWATER?

You get one heck of an amazing collaboration, that's what.

Coming late Spring 2014, May 1<sup>st</sup> to be exact,

Style By Kim xo has paired up with LA Brand STILLWATER and will be launching a collection of signature graphic tees. And these tees aren't just like any run off the mill tees, no ladies and gents.

This marriage of the Canadian West Coast and the All American Golden Coast brings Inspirational tees that are made of high quality fabric that focuses on construction, wear-ability and classics. To put it in simple terms, I view them as simple yet chic. Nothing too over the top but you still look bangin'
